WHEREAS this dispute has not heretofore been adjusted under the provisions of the Railway Labor Act, as amended; and

WHEREAS this dispute, in the judgment of the National Mediation Board, threatens substantially to interrupt interstate commerce to a degree such as to deprive a section of the country of essential transportation service:

NOW, THEREFORE, by virtue of the authority vested in me by section 10 of the Railway Labor Act, as amended (45 U. S. C. 160), I hereby create a board of three members, to be appointed by me, to investigate the said dispute. PART 201—FEDERAL SEED ACT REGULATIONS KENTUCKY BLUEGRASS SEED; EXEMPTION FROM LABELING REQUIREMENTS

It has been found that the time interval between seed harvesting and sowing is not sufficient to assure the completion of a germination test of freshly harvested seed of Kentucky bluegrass, *Poa pratensis*, and that the information as to germination required by the Federal Seed Act (7 U. S. C. 1551 et. seq.) therefore cannot be given on the label of such seed prior to its delivery for transportation or transportation in interstate commerce for the imminent planting season. Therefore pursuant to the provisions of paragraph 203 (c) of the Fed-

eral Seed Act (53 Stat. 1275; 7 U. S. C. 1573 (c)), the following regulation is hereby promulgated:

Exemption from labeling as to germination of Kentucky bluegrass seed. The requirements of paragraph 201 (a) (8) of the Federal Seed Act as to labeling seed for germination when it is transported or delivered for transportation in interstate commerce for seeding purposes, shall not apply to the 1950 crop of seed of Kentucky bluegrass, *Poa pratensis*, during the period beginning August 15, 1950, and ending October 15, 1950.

Paragraph 203 (c) of the Federal Seed Act provides that the Secretary of Agriculture may, with or without hearing, amend the regulations issued thereunder to provide exemptions from labeling requirements with respect to germination. Pursuant to this provision, the Secretary in various prior years amended the regulations to provide for a seasonal exemption from such labeling requirements, similar to the one provided for herein, for freshly harvested seed of Kentucky bluegrass, and there were never any objections to such action. The current carry-over of this seed from the former crop year is not sufficient to meet the planting requirements therefor this year and by reason of the imminence of the planting season it is in the public interest that the order exempting such seed from the labeling requirements as to germination be made effective as soon as possible. The Federal Seed Act requires a 30-day delay between publication of such order and its effective date. Publication of notice and public procedure as provided in section 4 of the Administrative Procedure Act (5 U. S. C. 1003), would result in a further delay. Therefore in accordance with said section, it is hereby found upon good cause that such notice and public procedure in connection with this amendment would be impracticable and contrary to the public interest.

This regulation shall be effective during the period from August 15, 1950, to October 15, 1950, both inclusive.

(Sec. 402, 53 Stat. 1285; 7 U. S. C. 1592)

Issued this 11th day of July 1950.

Secretary of Agriculture.

ject to the minimum addition to the tax provided by section 1626 (c) prior to August 27, 1949, or by section 1631 after August 26, 1949. See § 405.805.

[Effective August 27, 1949, section 6, Public Law 271, 81st Congress, repealed section 1626 (c) and amended section 1631 to supersede, in effect, the provisions of section 1626 (c) quoted above.]

SEC. 1631. FAILURE OF EMPLOYER TO FILE RETURN OR PAY TAX (as amended, effective August 27, 1949, by sec. 6, Public Law 271, 81st Congress).

In case of a failure to make and file any return, or a failure to pay any tax, required by this chapter, or both, within the time prescribed by law or prescribed by the Commissioner in pursuance of law, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, the addition to the tax shall not be less than \$5.

PAR. 32. Section 405.805, as amended by Treasury Decision 5759, approved November 10, 1949, is further amended to read as follows:

§ 405.805 Minimum addition to the tax. (a) In the case of returns required to be filed or tax which becomes due on or after August 27, 1949, if an employer fails to file a return or pay the tax required to be withheld within the time prescribed in §§ 405.601 and 405.602, unless it is shown that the failure is due to reasonable cause and not to willful neglect, the addition to the tax shall not be less than \$5. This provision is to be applied in accordance with the following rules:

(1) In the case of failure to file a return on the applicable form within the prescribed time, the addition to the tax shall be computed as provided by section 3612 (d) and if less than \$5 shall be increased to \$5.

(2) In the case of failure to pay the tax when due, the addition to the tax shall be computed as provided by section 1420 (b) and if less than \$5 shall be increased to \$5.

(3) In the case of concurrent failure to file the return and pay the tax within the prescribed time, the ad valorem penalty provided by section 3612 (d) and the interest provided by section 1420 (b) shall be aggregated and if less than \$5 shall be increased to \$5.

(b) In the case of returns required to be filed or tax required to be paid prior to August 27, 1949, the rules prescribed in paragraph (a) shall be applicable except that in each case the minimum addition to the tax shall be \$10 instead of \$5.

(53 Stat. 32, 178, 467; 26 U. S. C. 62, 1429, 3791)

Because the purpose of this Treasury decision is merely to conform the regulations to the provisions of sections 4, 6, 7 (a), and 9 (a) of Public Law 271, 81st Congress, and because such sections of law, amending the Internal Revenue Code, became effective on August 27, 1949, it is found that it is unnecessary to issue this Treasury decision under section 4 (a) of the Administrative Procedure Act, approved June 11, 1946, or subject to the effective date limitation of section 4 (c) of such act.

This Treasury decision shall be effective upon its filing for publication in the FEDERAL REGISTER.

[SEAL] GEO. J. SCHOENEMAN,
Commissioner of Internal Revenue.

PROPOSED RULE MAKING

DEPARTMENT OF LABOR

Wage and Hour Division

[29 CFR, Part 522]

LEARNERS IN INDEPENDENT TELEPHONE AND CIGAR INDUSTRIES

NOTICE OF PROPOSED RULE MAKING

Regulations have been issued heretofore pursuant to section 14 of the Fair Labor Standards Act of 1938, as amended (sec. 14, 52 Stat. 1068; 29 U. S. C. 214) setting forth terms and conditions under which special certificates are issued authorizing the employment of learners in the independent telephone industry (§§ 522.82 to 522.93) and in the cigar industry (§§ 522.201 to 522.211 at wages below the minimum wage established in section 6 of the act. The regulations contained in the aforementioned sec-

tions were amended on January 25, 1950, to provide, among other things, higher subminimum wage rates, and were made effective for a period of six months as so amended, in other words until July 25, 1950.

Since January 25, 1950, an investigation has been made into the need for amending, extending or revoking the regulations. Such investigation and all relevant information available indicates that the aforesaid regulations must be continued in effect in order to prevent the curtailment of opportunities for employment.

Accordingly, notice is hereby given pursuant to the Administrative Procedure Act (60 Stat. 237; 5 U. S. C. 1001) that the Administrator of the Wage and Hour Division, U. S. Department of Labor, proposes to continue in effect the regulations contained in §§ 522.82 to

522.93 and 522.201 to 522.211, as amended on January 25, 1950 (15 F. R. 398, 400) on and after July 25, 1950, until thereafter modified or revoked.

Prior to such extension of the regulations, consideration will be given to any data, views or arguments pertaining thereto which are submitted in writing to the Administrator, Wage and Hour Division, U. S. Department of Labor, Washington 25, D. C., within 7 days of publication of this notice in the FEDERAL REGISTER.

Signed at Washington, D. C., this 11th day of July 1950.

LEARNERS IN GLOVE INDUSTRY

NOTICE OF PROPOSED RULE MAKING

Pursuant to section 14 of the Fair Labor Standards Act of 1938, as amended (52 Stat. 1063; 29 U. S. C. 214), the Administrator published in the FEDERAL REGISTER on January 25, 1950 (15 F. R. 401), revised terms and conditions under which special certificates are issued authorizing the employment of learners in the glove industry (§§ 522.220 to 522.222) at wages below the minimum established in section 6 of the act. The terms and conditions were made effective for a six-months' period and are scheduled to expire on July 25, 1950.

It now appears that the continuation of the aforesaid terms and conditions until October 25, 1950, is necessary in order to prevent curtailment of opportunities for employment.

Accordingly, notice is hereby given pursuant to the Administrative Procedure Act (60 Stat. 237; 5 U. S. C. 1001) that the Administrator proposes to continue in effect the aforesaid terms and conditions until October 25, 1950, unless amended or revoked prior to that time.

Prior to such extension, consideration will be given to any data, views or arguments pertaining thereto which are submitted in writing to the Administrator of the Wage and Hour Division, United States Department of Labor, Washington 25, D. FEDERAL COMMUNICATIONS
COMMISSION

[47 CFR, Part 1]

[Docket No. 9732]

LICENSEES IN DOMESTIC PUBLIC LAND
MOBILE RADIO SERVICES

NOTICE OF PROPOSED RULE MAKING

In the matter of promulgation of an annual report form applicable to licensees in the domestic public land mobile radio services and amendment of Part 1 (Practice and Procedure) of the Commission's rules; Docket No. 9732.

1. Notice is hereby given of proposed rule making in the above-entitled matter.

2. Part 6 (Public Radiocommunication Services (Other Than Maritime Mobile)) of the Commission's rules set forth, among other things, the conditions under which licenses are issued for radio stations in the Domestic Public Land Mobile Radio Services. Section 6.601 thereof states that "Part 1 of this chapter, beginning with § 1.541 contains a summary of certain material and reports, including but not limited to schedules of charges and accounting and financial reports, which must be filed with or submitted to the Commission." Part 1 (Practice and Procedure) of the Commission's rules includes a requirement (§ 1.544) that annual financial reports shall be filed by carriers on forms prescribed by the Commission. These forms were designed primarily for use by communication common carriers subject to all of the provisions of the Communications Act of 1934, as amended, and include numerous requirements for filing data not presently needed by the Commission in its regulatory functions with respect to licensees whose Communication common carrier activities comprise only the furnishing of domestic public land mobile radio services.

3. Therefore, it is proposed to prescribe a condensed annual report form, to be designated "F. C. C. Form L," containing reporting requirements set forth in an attachment hereto,¹ and to amend Part 1 (Practice and Procedure) of the Commission's rules, by inserting the following text of new subparagraph (8) to paragraph (a) of § 1.544, *Annual financial reports*:

(8) F. C. C. Form L (Licensees in the Domestic Public Land Mobile Radio Services.)

4. Any interested person who is of the opinion that the proposed report form and rule amendment should not be adopted, or should not be adopted in the form set forth, may file with the Commission on or before August 15, 1950, a written statement or brief setting forth his comments. At the same time persons favoring the adoption of the rule amendment and report form as proposed may file statements in support thereof. Before taking action in the matter, the Commission will consider all such comments that are presented and, if any comments are submitted which appear to warrant the holding of an oral argument, notice of the time and place of such oral argument will be given to interested parties.

5. In accordance with the provisions of § 1.764 of the Commission's rules and regulations, an original and 14 copies of all statements, briefs, or comments shall be furnished to the Commission.

6. These proposals are issued pursuant to the authority of sections 4 (i), 219 (b), 303 (j), 303 (r) and 308 (b) of the Communications Act of 1934, as amended.

Adopted: July 6, 1950.

Released: July 7, 1950.

NOTICES

FEDERAL POWER COMMISSION

[Docket No. G-1426]

TEXAS GAS TRANSMISSION CORP.

NOTICE OF APPLICATION

JULY 10, 1950.

Take notice that Texas Gas Transmission Corporation (Applicant), a Delaware corporation, with office at Owensboro, Kentucky, filed on June 26, 1950, an application for a certificate of public convenience and necessity pursuant to section 7 of the Natural Gas Act, as amended, authorizing Applicant to construct and operate 5 sales meter stations with one each at the following locations in order to render service to the following designated companies by sale of natural gas for resale for the specified communities:

	Estimated maximum demand for fifth year	Estimated annual demand for fifth year
1. Arkansas Power & Light Co., Parkdale, Ark.	Mcf 170	Mcf 18,000
2. City of Marion, Ky.	620	68,625
3. Hardinsburg Gas & Electric Co., Hardinsburg, Ky.	200	20,000
4. Louisville Gas & Electric Co., La Grange, Ky.	470	51,120
5. City of Carrollton, Ky.	1,321	112,100
	2,781	269,854

Applicant states that it has completed the construction of the facilities authorized by the Commission in Docket No. G-859, and is presently delivering natural gas through those facilities. Applicant states that the communities proposed to be served are located on its 26-inch transmission line and within its

service area. Applicant is advised that the respective companies and municipalities will construct the lateral lines needed to transport the gas to the respective distribution systems. Applicant estimates that with the supply of natural gas provided by the facilities authorized in Docket No. G-859 it can render the proposed natural gas service without appreciable effect upon the gas reserves available to Applicant's system.

The proposed construction would be undertaken by Applicant's employees and service would be commenced September 1, 1950, if authorized.

Protests or petitions to intervene may be filed with the Federal Power Commission, Washington 25, D. C., in accordance with the rules of practice and procedure (18 CFR 1.8 or 1.10) on or before the 28th day of July 1950. The application

CITIES SERVICE GAS CO.
NOTICE OF APPLICATION

JULY 10, 1950.

Take notice that on June 30, 1950, Cities Service Gas Company (Applicant), a Delaware corporation with its principal office in Oklahoma City, Oklahoma, filed an application for a certificate of public convenience and necessity pursuant to section 7 of the Natural Gas Act, as amended, authorizing the construction and operation of the following natural-gas facilities:

A meter setting at a point on its 8-inch gas pipe line near the northeast corner of Section 26, Township 26 South, Range 21 East, Bourbon County, Kansas.

Applicant proposes to use the above described natural-gas facilities to sell natural gas to the Walnut Gas & Electric Company for resale in the Town of Walnut, Kansas.

Applicant represents that the present local supply of gas for the town to be served has become depleted to the extent that the requirements cannot be met without service from it.

The meter to be installed is now in Applicant's warehouse stock.

The total cost of the facilities is estimated at \$1,000.00.

Protests or petitions to intervene may be filed with the Federal Power Commission, Washington 25, D. C., in accordance with the rules of practice and procedure (18 CFR 1.8 and 1.10) on or before the 28th day of July 1950. The application is on file with the Commission for public inspection.
